Subject Line: Special offer for my landlords

Body Copy:

As a Property Manager, I'm always looking for opportunities that help landlords save money. That's why I wanted to tell you about a special 2-4-1 offer from an insurance company I trust called SureVestor.

They have a long history of protecting landlords with unique solutions. In fact, they're the only broker in the U.S. that will reimburse you for tenant malicious damage.

Please play this short video that explains how you can get their top two products for the price of one.

One last thing, this special offer is only available to you by being one of my clients. Please give me a call to discuss how their ProtectionPlus Bundle could provide maximum protection for property.
